4 ▼ chlorine gas is used in large swimming pools, like you would find at a college or university.

18 ▼ Go to their homes then. The tunnels let out in random buildings around the city. Meet them in their driveways.

2 Perhaps they will travel via the steam or sewer tunnels shown in these maps.

7 Don't forget Tim Kaine asked for blood on the streets. Maxine Waters told Dem terrorists to attack Trump supporters at the restaurants, bus stops, etc. Antifa terrorists attacked Rand Paul in DC, head-smashed Trump supporter with bike lock in CA, shot into baseball game to kill Congressional GOP's in VA, sent ricin poison to White House; BLM terrorists to shot dead 23-year-old white mother of 3-year-old toddler just because she said "All Lives Matter" in IN, shot dead 5-year-old white kid on his bike at his house in NC, etc. As long as justice serves only 1 side, don't hesitate to fight fire with fire.

2 ▼ We'll massacre them if they attempt to go against the will of the people. Nowhere to hide, rats, you will be slaughtered. We'll find you wherever you go, and hunt you the entire way, even if you somehow arrive home, we'll burn you alive along with your house and wait for the fire to calm down to eat your remains. America has had enough of your demonic treason, now is the time to deal with enemies of the free world.
